Dedication

To the Felt-Wheeless Community

The Bulldog Staff of '73

Wish to dedicate this yearbook

To the people of the community;

To you who watch us as we grow

Who help us learn

The things we need to know;

Who support us-loyally-

Through the years

Through our laughter and our tears;

And so this yearbook is for you

A community of people

Always faithful, kind, and true.

We are the students who are Free...

...to take action

to make our goals

...to reach out

and help another

...to look ahead

into the future

All men are

born free and

will die free

'cause you can't

be robbed of

freedom

Freedom is not

to limit, but to

share; and freedom

here is freedom

everywhere

You're Born Free and life is worth living

But worth living only because you're

Born Free...
